

Mac-Kee live feat. Albert Vogt

Dear promoters, bookers, club owners,
I am happy to present you the live project of Mac-Kee and Albert Vogt.

Mac-Kee has more than 20 years of experience in the electronic music scene and after countless years as a DJ he is now only available as a live act. With his extremely driving and groovy live sets he covers the genres House and Tech House and performs them with a variable setup of synthesizers, drum machines and samplers. Especially to emphasize is the high variability of his sets. Nothing is pre-defined or fixed, everything follows the vibe of the dance floor.

Albert Vogt As an experienced singer and vocalist, Albert Vogt is an integral part of the Berlin label "Beste Modus". Musician and producers who trust in his vocal skills are Borrowed Identity, Kevin Over, Demuja, Nick Beringer, Diego Krause, ...

Albert Vogt gives the live sets by Mac-Kee an additional wonderful power and energy.

Feel free and contact me if you are interested for any booking or other cooperation.
